Headteacher: Katy Brennan

Dear Parent,

The Early Years Pupil Premium

Since April 2015, Nursery schools have been able to claim extra funding through the Early Years Pupil Premium to support Children's Development, learning and care. We wanted to explain what the Early Years Pupil Premium is, explain who is eligible for this additional funding and importantly, to ask you to fill out the enclosed form so that we as a provider can claim the extra funding.

The Early Years Pupil Premium will provide us with extra funding to ensure that we are reaching the best outcomes for your children and enabling them to develop as best they can within our setting.

The Early Years Pupil Premium will provide us with an extra 53 pence per hour for any 3 or 4 year old child who is accessing their Free Entitlement and whose parents meet the criteria. This means an extra £302 a year for each child taking up the full Free Entitlement, which could make a significant difference to your child's development and our setting.

We can use the extra funding in any way we choose to improve the quality of the early years education that we provide for your child.

Please complete the form overleaf and sign the consent. We will then check for eligibility to enable us to claim the additional Early Years Pupil Premium.

To find out more information about the EYPP, please visit: www.enfield.gov.uk/eypp

If you have any questions, please contact us.

Yours Faithfully,

Katy Brennan

Headteacher

We need information about you and your child, to provide the best education and support by making sure we receive all the government funding to which we and your child are entitled.

How the information in this form will be used

The information you provide in this form will be used by the council to confirm receipt of one of the listed welfare benefits. They will do this by checking out of work benefit data provided by HMRC and DWP. We would like your consent to make this check. Once this is confirmed, we can decide how much money your child's nursery, childminder or pre school will receive. You are free to withdraw your consent so that your details are not used in future. Whether you use this scheme or not will not affect any of the benefits you may be entitled to.

Declaration

Enfield Council requires the signature of parent/s that provide NI/NASS details.

- A. I understand that my NI/NASS number will be checked against the national database.
- B. I agree the London Borough of Enfield may check information on this form. I declare that the above details are true and I understand that any false or incorrect information could lead to funding being withdrawn.
- C. I agree that my information can be held on an Enfield Council confidential database.

Signature of parent/guardian: Date:.....

Signature of parent/guardian: Date:.....

Photographs / work

On occasions we may like to include a photograph, image, work example or video recording for electronic (website or blog) and printed information, displays and exhibitions. The image used will only relate to the activity shown in the picture, and will not be used for anything which may be viewed as negative in tone or that may cause offence, embarrassment or distress for the child or their parent or guardian. In order to include a photograph or image we require your written consent.

Internet

As part of the curriculum Latymer All Saints Nursery provides supervised access to the internet. The school operates a filtering system that restricts access to inappropriate materials.

Whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials, the school cannot be held responsible for the nature or content of materials accessed through the internet. The school will not be liable for any damages arising from your child's use of the internet.

Plasters

Some children are allergic to plasters and we therefore require parents to give their permission for staff to use plasters in the case of an accident to their child.

Observations

Under the EYFS standards, Latymer All Saints Nursery is required to carry out regular observations on the children and record these in the children's individual learning journals. These records and observations are kept in the strictest of confidence and can be seen by you at any time.

Occasionally students will undertake placements within the Nursery and may have to focus on specific children. In this instance individual permission will be sought from parents from both the Nursery and the College/University.

Local Trips

As part of early learning planning, the nursery will arrange local visits and walks in the local area to support children's knowledge, understanding and experiences. For example, they could learn about different kinds of food and cooking ingredients during a trip to a supermarket, or collect objects of interest for a collage or table display during a walk in the park.

For your child to take part in such activities we require written permission from you as parent/carers. All outings away from the nursery will be assessed to identify risks and measures will be put in place to ensure children, staff and assistants are safe during their time away from the nursery

Adult to child ratios will be higher than normal on these occasions and we would welcome and appreciate any parents who would feel able to accompany us on short walks and trips.

Please note that separate letters and permission slips will be sent out for visits and trips further afield.

Consent

I give permission for my son/daughter to use/receive/participate in the following:
