

Home Learning

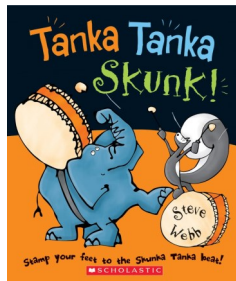

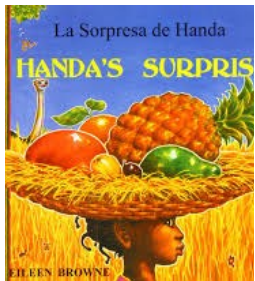

Reading: PLEASE READ TO YOUR CHILD. Reading to children in either English or a home language exposes them to a vast range of new vocabulary. Look at the pictures and ask them questions about what they can see or think might be happening.

Mathematics: Look for different coloured objects around the house. Can they name the colours? Try sorting them by colour and size.

Support us by using Class Dojo at home:

Please ensure that your Class Dojo account has been set up and please familiarise yourself with the app. Key features include class stories, individual observations and messages features. If you need any support please contact your class teachers. Please have a go at sharing a meaningful experience using Class Dojo. We would love to see and it's a good way for us to see what they have been doing.

Core Books we are reading this half-term

Latymer All Saints CE Primary School

Nursery Curriculum Leaflet - AUTUMN 1 2025

At Latymer All Saints Primary School, we believe that learning is a partnership between school and home.

The aim of this leaflet is to provide you with key information about your child's learning in class this half-term enabling you to support and enhance their learning at home.

Teaching and Support Staff

Nursery Year group Leader: Ms Looby

Nursery Teacher: Mrs Diouf

Support Staff: Ms Greenaway, Mrs Deepa

Key Dates

24.10.2025 Last day of half-term

In our school:

We **LOVE** deeply, respecting everyone and treating them with dignity;

We **ASPIRE** with confidence, working hard and embracing challenge and

We **SERVE** God and the community, following the example of Jesus, to create a better world.

Ephesians 5:2 (NLT)

"Live a life filled with love, following the example of Christ. He loved us and offered himself as a sacrifice for us"

Literacy

The children will begin to listen to and enjoy sharing books, talking and commenting on the pictures.

They will begin to mark make, sometimes giving meaning to their marks

They will self-register by looking at first letter of their own name.

They will notice some print in the environment such as familiar logos and instructions.

Children will be encouraged to join in with group activities such as singing and retelling stories.

Mathematics

In Mathematics , Nursery will learn about:

Colours –recognising, naming and matching colours

Sorting - by various attributes

Pattern - continuing AB patterns

Size - using the language of size

Comparing - number of objects- lots/more/same

Sing number songs

Communication and Language

Children will be learning to listen in small groups and on the carpet.

They will listen to and follow simple instructions.

Children will be encouraged to talk about the experiences that are familiar to them and share their likes and dislikes.

They will be learning to express their needs.

The adults in Nursery will model the use of simple language when asking questions and interacting.

Our AUTUMN 1 Topic is:

Marvellous Me

We will be learning about ourselves and our wonderful bodies. We will name body parts, learn about our senses and paint some self portraits.

Physical Development

In Nursery, children will use their fine motor skills to develop their mark making, threading, pick up small objects, pulling zips, manipulating play dough and will start to use scissors.

They will use gross motor skills to clap, stamp, balance and move in different ways.

Children will be encouraged to learn how to use a knife, fork and pour drinks in the role play area.

Understanding the World

This half-term, children will be developing their sense of self by talking about their families and family events.

They will use their observation skills to talk about the world around them noticing differences in the outdoor environment such as the changing season.

Linked to our stories Nursery children will be looking at globes and learning about Africa. They will learn about African animals, patterns and music.

Expressive Arts and Design

In the arts, Nursery children will:

Use a variety of materials including pens, pencils, paint, charcoal and pastel.

Explore textures/ collage / junk modelling and enjoy sensory experiences.

Use tools to manipulate playdough.

Learn and name primary colours.

Begin to use shapes to represent objects.

Use construction to build.

Sing rhymes and move to music.

Personal, Social and Emotional Development

This half-term's focus is supporting Nursery children to settle into their new environment.

They will be familiarising themselves, with nursery routines and expectations.

Both children and parents will be supported with separation.

Nursery children will be encouraged and supported by adults to build new friendships through play and begin to share resources and take turns.
