## School Newsletter

### A message from the Headteacher

This week we say goodbye to our wonderful, talented, kind and funny year 6 children! They all have an enormous amount of potential and with hard work and focus they are destined for greatness. Everyone at Latymer All Saints looks forward to hearing of their achievements in years to come and we all send them on their way with our love and very best wishes.

We also say goodbye to Mrs Burt, Mrs Johnson, Miss Bacchus and Miss Lee. I'd like to thank them all for their hard work and dedication and wish them every success and happiness as they move forward.

This year has been challenging in many respects but as a community we have again come through it and can be proud of what we have achieved. I would like to take this opportunity to thank staff, governors, parents and above all children for their contributions to our school. It is my absolute privilege to continue to serve as your Headteacher.

I wish you all a fantastic summer break and look forward to seeing you in September. Term dates for the academic year 2023/24 are at the bottom of this newsletter.

### Words of Encouragement

The words of encouragement this week are from the beautiful Irish blessing used by Rev. Roxane at the end of the Year 6 Graduation ceremony;

*May the road rise up to meet you.  
May the wind be always at your back.  
May the sun shine warm upon your face;  
the rains fall soft upon your fields and until we meet again,  
May God hold you in the palm of His hand.*

### Music week

## Music Week - That's So Disney!

Music Week, this year, went off with a BANG! Our marvelous and very talented children at Latymer All Saints took part in various musical activities throughout the week, which included the Latymer's Got Musical Talent shows, where they wowed us with their musical gifts and talents! They put on sensational year group performances during our special achievement assembly. The choir left shoppers in awe and wanting more during their amazing performance in Edmonton Green Shopping Centre. They watched different concerts, delivered by various visiting guests and artist. They really had a blast, whilst also managing to raise approximately £1980 for resources and musical provision in our school! Sensational!!

It would not have been possible without your continued love and support so thank you!

### Planting

**On Tuesday 18<sup>th</sup> July 2023, Reception planted parsnips with Sandra Johnson.**

Children learned about the soil and how they would need to prepare it for planting.

They used trowels to do some weeding.

Then they planted the parsnip seeds and the soil was watered.  
Reception will harvest their parsnips in the Autumn term when they are in year 1.

## School games award
