We **SERVE** God and the community, following the example of Jesus, to create a better world.

**Ephesians 5:2 (NLT)**

*"Live a life filled with love, following the example of Christ. He loved us and offered himself as a sacrifice for us"*

### English: Reading

### English Writing

In Writing lessons, the children are learning how to build basic sentences and how to use the proper punctuation (capital letters and full stops) and grammar. They begin with simple sequencing, and story retelling tasks.

### Maths

In Maths, the children learn about place value within 10, specifically tens and ones. They learn counting forwards and backwards, and how to count on from any number. They also focus on simple arithmetic of addition and subtraction.

### Science

In Science lessons, children will be learning about the main curriculum objective of seasonal changes, where they will look into the basic structures of a plant (flower)

### History / Geography

In our Humanities lessons, children will be learning about The geographical differences and similarities between two places, looking into key physical features of different places and countries.

### Our AUTUMN 1 Topic is:

## Field to Fork

### Music, Art & DT

In DT the children will begin to explore different cooking skills as they make a variety of recipes that are inspired from the topic related books.

In Art, the children will use vegetables to create prints of different shapes and sizes. Children will also use rice, lentils and pasta to create collages.

### PSHE

This half-term, children will begin to look into their own emotions and how to express them properly, how they feel through a variety of heartsmart lessons. The children also look into the importance of kindness and compassion and the consequences of negative thinking and emotions.

### Computing and Digital Learning

In Computing lessons, children will be discussing the importance of internet safety and how to keep safe online. The children will also look into the parts of a computer and iPad before exploring the technology for themselves via taking photographs of day to day objects and then themselves.

### RE

This half-term's RE focus is looking at the creation story. The children will discuss and talk about how and why all of God's creations need to be taken care of and treated equally. They will then look into the different charities (such as Christian aid) and how they help support people in need.
