In our school:

We **LOVE** deeply, respecting everyone and treating them with dignity;

We **ASPIRE** with confidence, working hard and embracing challenge and

We **SERVE** God and the community, following the example of Jesus, to create a better world.

**Ephesians 5:2 (NLT)**

*"Live a life filled with love, following the example of Christ. He loved us and offered himself as a sacrifice for us"*

### English: Reading

In Year 1, .

### English Writing

In Writing lessons, the children are going to write recounts of stories from their lesson text— they will also build upon their understanding of grammar and sentence structures. .

### Maths

In Maths, Year 1 will continue to build their understanding in addition and subtraction (within 10) and begin to work towards becoming confident in working with number-bonds, part whole models, and fact families.

### Science

In Science lessons, children will be learning about light sources and if they are natural or man-made. They will also touch on materials, and check to see if light can or can not pass through— such as sheer and opaque plastics and fabrics.

They will also be continuing in the main theme of science of seasonal changes and begin observations on the changes over time.

### History / Geography

In our Humanities lessons, children will be learning about the first world war and other wars through the main texts of 'little hen and the great war', 'where the poppies now grow' and many others.

The children will also look at some artefacts from the wars, to help engage them in the topic.

The children will use this knowledge to help them preform an assembly to parents

### Our AUTUMN 2 Topic is:

## Lets Remember.

### Music, Art & DT

In music the children begin to learn their assembly song 'It's a long way to Tipperary' so that they are confident to sing it on their own while also learning to use kazoos to make their own 'first post' call.

In Art and DT the children will make poppies for the purpose of remembrance day and create a display somewhere on the school grounds.

### PSHCE

This half-term, children will learn the importance of making the right choices; when it comes to telling the truth, how they interact with friends and peers and how they can learn to choose to do the right thing even though sometimes it is difficult.

### Computing and Digital Learning

In Computing lessons, children will be learning photo orientation in the means of landscape and portrait. They will be using the iPads to build upon these skills and then develop further understandings on Purple mash.

### RE

This half-term's RE focus is learning about why saints are important and how we can become like them. Closer to the end of the term the children will begin to learn about the nativity characters and why each one plays an important part and has a meaning behind their arrival .
