In our school:

We **LOVE** deeply, respecting everyone and treating them with dignity;

We **ASPIRE** with confidence, working hard and embracing challenge and

We **SERVE** God and the community, following the example of Jesus, to create a better world.

Ephesians 5:2 (NLT)

"Live a life filled with love, following the example of Christ. He loved us and offered himself as a sacrifice for us"

English: Reading

In Year 6 all children take part in Daily Focused Reading (DFR). These sessions concentrate on a different reading skill each day—Word Meaning, Retrieval, Summarising, Inference, Prediction, Identifying Meaning, Understanding Author Choice and Making Comparisons.

English Writing

In Writing lessons, children will explore the different ways to write a variety of effective sentences—both structure and content.

Maths

In Maths, Year 6 will learn:

- The Place Value of numbers up to 10,000,000.
- Addition
- Subtraction
- Multiplication
- Division

Science

In Science lessons, children will be learning how to use the basic ideas of inheritance, variation and adaptation to describe how living things have changed over time and evolved; and describe how fossils are formed and provide evidence for evolution.

The Big Question?

What would happen if a lion and a tiger reproduced?

History / Geography

In our Humanities lessons, children will be learning about:

- The world—continents, oceans, lines of longitude and latitude and the equator.
- The continent of North America.
- Human and Physical characteristics of locations.
- Climate zones around the globe and biomes.

Our AUTUMN 1 Topic is:

Land of the free

RE Big Question

Can rules bring freedom?

Romans 6 v 20-23

Music, Art & DT

In Year 6, children will be looking at the music and songs used by slaves in the pursuit of freedom on the underground railroad.

Children will also study artists of North American art and take inspiration from their work to create their own pieces.

PSHSE

This half-term, children will be thinking about language and communication and our attitudes towards ourselves and others and how this can affect our relationships.

In the latter part of the half term Year 6 will begin to look at Black History.

Computing and Digital Learning

In Computing lessons, children will be looking at the importance of online safety and how to be responsible in their use of the internet and social media.

RE

This half-term's RE focus is a study around the question—
How has the Christian message survived for over 2,000 years?

The children will look at the importance of a message and how the Christian message has been communicated and passed on.
