## Key Dates

28.3.2024: Last day of the term

In our school:

We **LOVE** deeply, respecting everyone and treating them with dignity;

We **ASPIRE** with confidence, working hard and embracing challenge and

We **SERVE** God and the community, following the example of Jesus, to create a better world.

**Ephesians 5:2 (NLT)**

*"Live a life filled with love, following the example of Christ. He loved us and offered himself as a sacrifice for us"*

### English: Reading

In Year 2, we will be continuing to develop our phonics knowledge and exploring different genres of books, both fiction and non-fiction. The focus will be to develop comprehension skills.

### English Writing

In Writing lessons, we will be focusing on books. We will be reading the book, Charlie Cook's Favourite Book. Based on these themes we will write our own fantasy adventure stories.

### Maths

In Maths, Year 2 will continue to solve problems involving money.

Then multiplication and division. We emphasise the use of maths resources and encourage the children to use mathematical vocabulary when explaining their thinking and engaging in partner talk.

### Science

In Science lessons, children will be learning about British garden birds.

As part of our non-chronological reports the children will write, we will find out about the diet, habitat and appearance of birds in our local area.

### Our Topic is:

### Music, Art & DT

This half term is full of amazing creative experiences working with a wide range of materials.

Things to look forward to:

- Making a woodland notebook

### PSHE

This half-term, children will looking at our role as individuals within our school and wider community.

We will be exploring how our words can effect both ourselves and others and how we can spread love and kindness in all we do.

### Computing and Digital Learning

In Computing lessons, we will be learning about data handling tools that can give more information than pictograms. Use yes/no questions to separate information. Use a database to answer more complex search questions and use the Search tool to find information.

**Maths:** All children have access to Numbots to practice their number bonds. **Purple Mash:** Children will also receive tasks by the teachers via Purple Mash.

### RE

This term's RE we will look at God's rules for living and the story of Easter:

We will explore the purpose of the 10 commandments. Developing a clearer understanding of where our rules for living come from. We shall also retell the Easter story and remember its meaning focusing on The Last Supper and the Crucifixion.
