

## PE and Coaches

PE is taught by **specialist coaches as well as** class teachers. Your child will need to wear their active wear on PE days. Children should wear their school uniform on the rest of the school days.

**1 Red** PE : Wednesday/Thursday

**1 Blue** PE : Monday/Wednesday

**1 Yellow** PE : Wednesday/Friday

## Home Learning

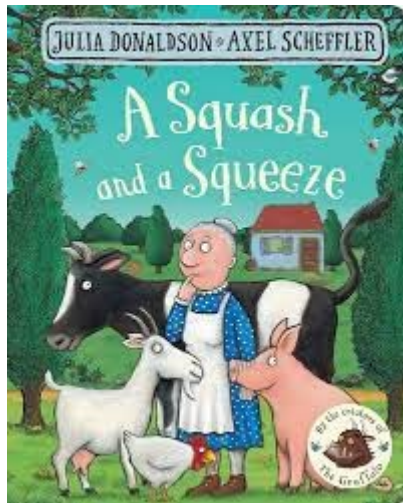

**Reading:** Children should complete their daily reading and parent/carer should comment and sign.

**Maths:** All children have access to **Numbots** to practice **their number bonds**.

**Purple Mash:** Your child may also receive homework set by the teachers via Purple Mash.

**Homework Project:** Your child will also receive a project that they can research during the holiday.

Our class text this half term is :

## *Latymer All Saints C of E Primary School*

### Year 1 Curriculum Leaflet - SUMMER 1 2024

At Latymer All Saints Primary School, we believe that learning is a partnership between school and home.

The aim of this leaflet is to provide you with key information about your child's learning in class this half-term enabling you to support and enhance their learning at home.

### Teaching and Support Staff

**Ms Malik:** 1 Blue Year Group Leader/Class Teacher

**Mrs Nyamundanda/Ms Oztuk:** 1 Red Class Teachers

**Miss Kalen:** 1 Yellow Class Teacher

Support Staff: **Mrs Melo, Mrs Parveen, Miss Molloy**

### Key Dates

15.04.2024: First day back after half term

24.05.24: Summer Half Term

Class Trips: 1 BLUE 24.04.24, 1 RED 01.05.24, 1 YELLOW 08.05.24

In our school:

We **LOVE** deeply, respecting everyone and treating them with dignity;

We **ASPIRE** with confidence, working hard and embracing challenge and

We **SERVE** God and the community, following the example of Jesus, to create a better world.

**Ephesians 5:2 (NLT)**

*"Live a life filled with love, following the example of Christ. He loved us and offered himself as a sacrifice for us"*

### English: Reading

The children will be taking part in daily reading groups using the Little Wandle scheme for reading. They will also take part in daily phonics sessions lasting at least 30 mins. During this session they will practice new sounds and words as well as reviewing old ones.

Our text for this half term is, 'A Squash and a Squeeze' by Julia Donaldson. The children will write animal fact-files, poetry, descriptions and a diary entry from the perspective of the old woman from the story.

### Maths

In our maths lessons the children will be beginning to look at multiplication and division. They will explore these concepts practically using our maths resources and draw pictures to help them understand that repeated addition is multiplication.

This will enable the children to progress and move on to looking at simple fractions in a variety of contexts. They will again explore this practically to gain a good understanding.

### Science

Our science topic will focus on materials and understanding their properties. We will be looking at everyday materials such as wood, plastic, glass, metal, water and rock. The children will explore vocabulary to describe these materials.

They will work on sorting them and grouping them based on their physical properties.

### History / Geography

The children will have the opportunity to explore a world map and look at the different animals that originate from those countries. They will continue to revise the names of the continents, and oceans.

### Our Summer 1 Topic is:

## Animal Antics

### Music, Art & DT

There are lots of art and music opportunities for the children to enjoy. The children will learn to mix and use water colours to create pictures of different animals.

In our music sessions the children will listen to 'The Carnival of Animals' by Camille Saint Saens. The piece of music contains 14 movements and the children will explore them to see which animals it reminds them of.

### PSHE

Our PSHE sessions will focus on self-care this half term. The children will start the term looking at how they can take care of their teeth and move on to understanding themselves. They will look at how they can take care of their mental health.

Children will explore the different ways they can deal with problems and resolve them using the help of a trusted adult.

### Computing and Digital Learning

This half term the children will begin to explore coding. They will learn simple and debug simple programs.

Children will have the opportunity to use the Beebots and programme them to perform simple movements. They will build on their knowledge of giving simple, clear instructions and creating algorithms from last term.

As well as using the iPad, the children will have the opportunity to work practically with one another.

### RE

In our RE sessions, the children will be learning about the stories of Jesus (parables). Some of the stories they will learn include; The lost sheep, The prodigal Son, The Parable of the Sower, The Foolish Builder and The Good Samaritan.

Children will learn to understand the key concept of Gospel and good news and explore lots of new vocabulary. During our lessons, children will hear passages from the Bible to accompany their learning.
